Broxbourne CE Primary School is a wonderful school where we care about all of our children and their families.

When you come to school, your grown-ups will bring you to the playground, where your teachers will meet you.

You will say goodbye to your grown-ups and go into school with your friends.

In EY1, Rayan is saying “**good morning**” to his teacher.

“**Hello, Rayan. You are going to have lots of fun today!**” says the teacher.

Rayan practised putting his coat on and taking it off before he started school.

After he has hung up his coat, he puts his water bottle in the tray and his book bag in the Red Group box.

Rayan puts his name in the container to show he is in school and then he sits quietly on his carpet space, ready to listen to the teacher.

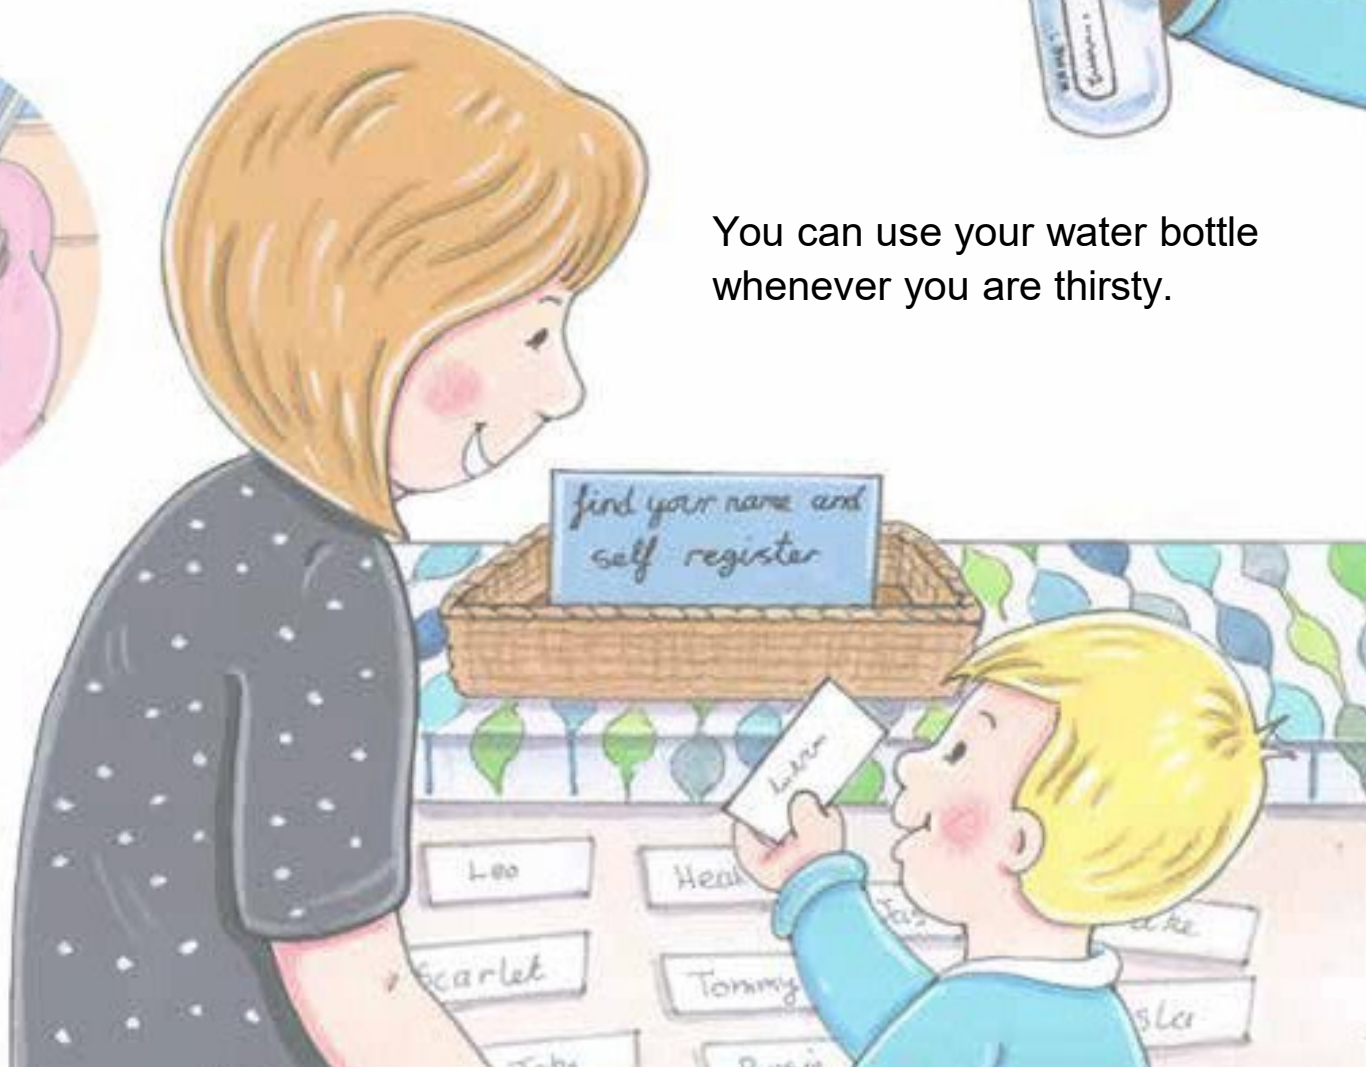

In EY2, Amani has found her name, so she knows where to hang her coat.

She puts her water bottle away in the holders and book bag in her tray.

“This is my name,”
says William.
“Well done,”
says his teacher.
“Please put it
in the basket to
show you are in
school.”

Your teachers will have been busy before everyone comes in and put out some ‘busy fingers’ activities, which will help wake up your mind and fingers.

You can use your water bottle whenever you are thirsty.

Are you excited about coming to EY1 or EY2?

In EY1, you will have lots of fun learning and making friends as you play.

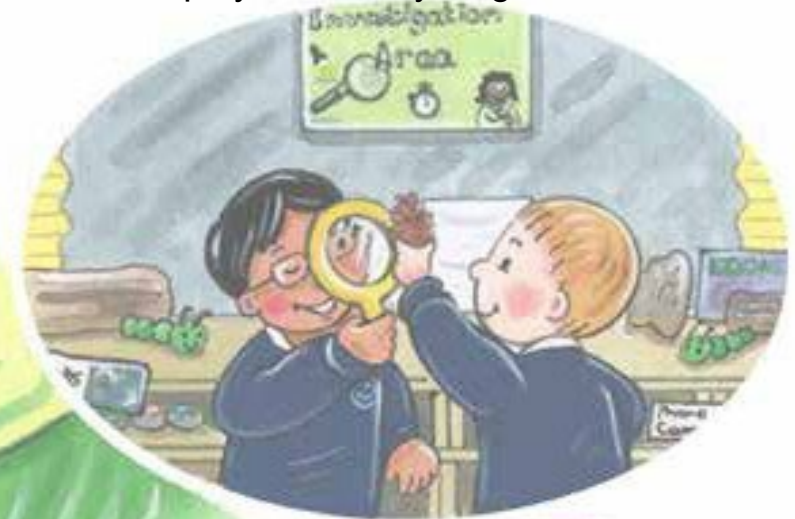

There will be lots of activities, toys and games in your classroom and outdoors. Rayan is making friends with Michael and Emily.

“Can we swap our mini-beasts?” asks Rayan.

“Yes, we can,” says Emily. It’s good to share with your friends so everyone gets a chance to play with everything.

Rayan is having lots of fun exploring nature and building sandcastles.

Sometimes the sandcastles fall down, but Rayan makes them again, even better.

Amani is drawing a picture of her brother.

In EY2, you will do activities with your teacher and all of your classmates.

Sometimes you will work in small groups and sometimes you will choose what you would like to do.

William is using the computer to play number games.

“This is so much fun and I am learning lots about numbers!” he says.

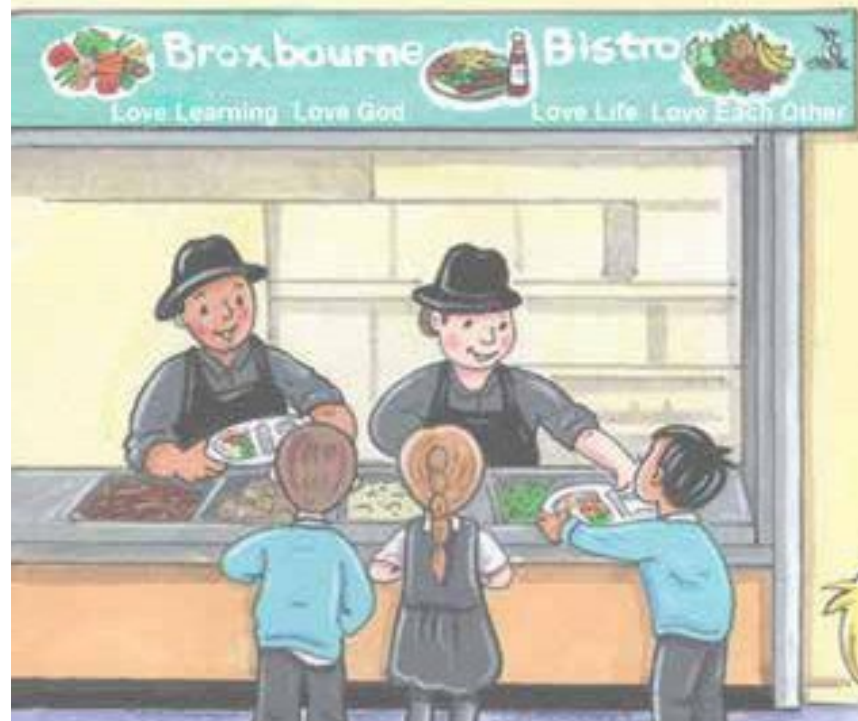

William is enjoying looking at a book with his teacher.

“I can see a ‘W’ for William on this page,” says William. **“Well done,”** says the teacher. **“Excellent work!”**

You can have some fruit or vegetables and milk or water to drink at snack time.

Kind adults will take all EY2 children, and any EY1 children having lunch, to the hall for their meal.

You will collect your delicious meal from the serving area.

Then you will sit with your friends.
You will use a knife and fork all by yourself.

“Can you help me pour some water?”

Amani asks the kind adult.

“Yes, Amani,” the adult says.

“We will always be here to help you!”

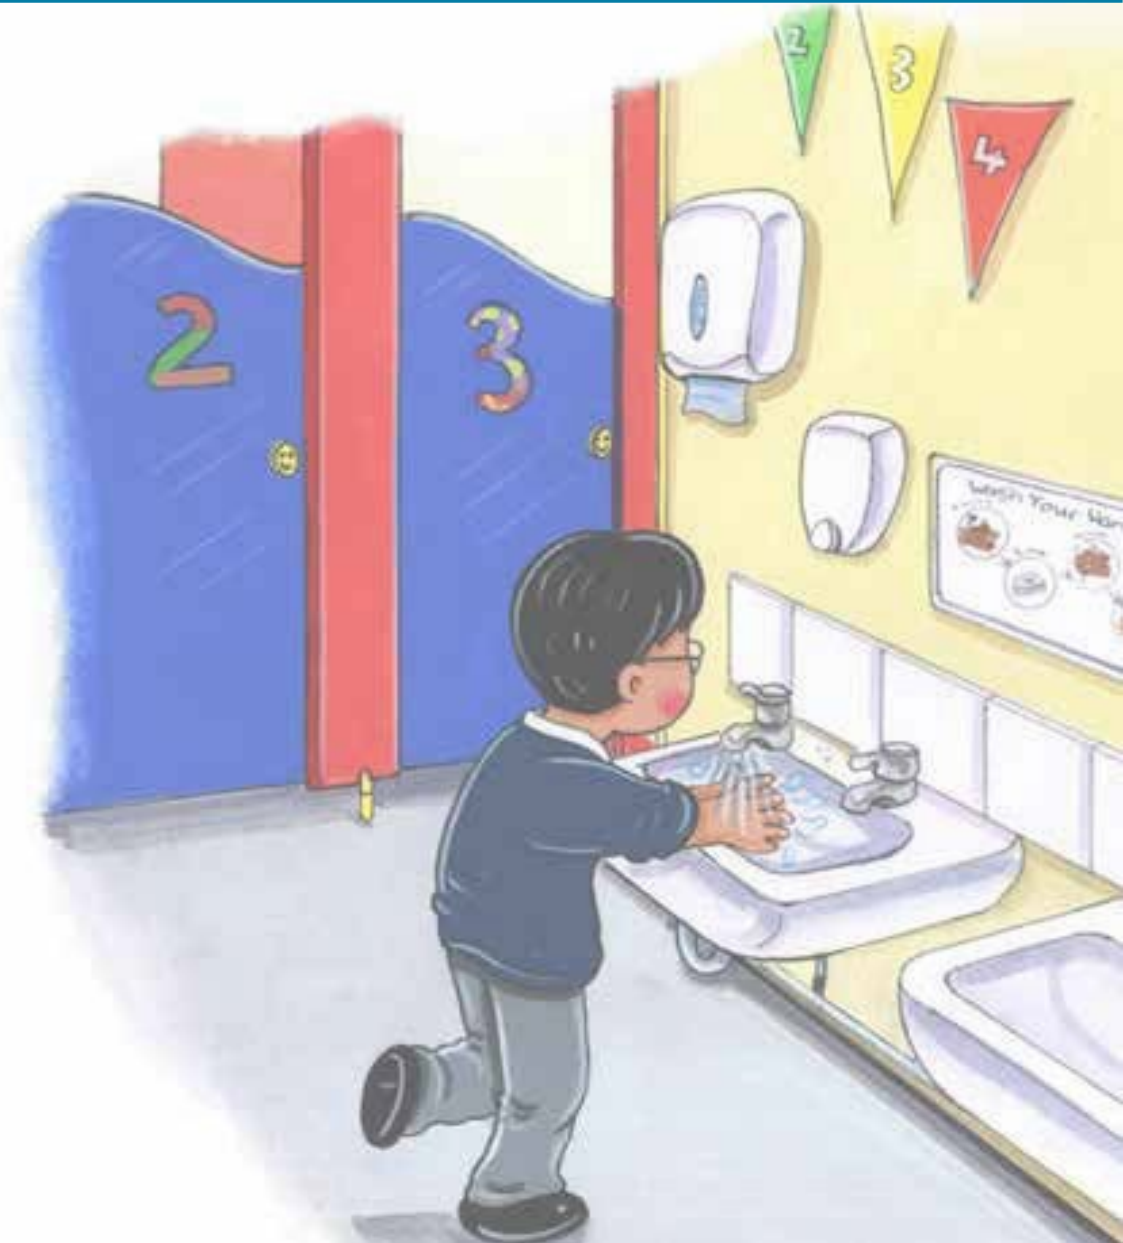

You can go to the toilet when you need to, so you don't have to wait. Just tell a teacher when you need to go. You will go by yourself, so your grown-ups at home will have made sure that you have had lots of practice going to the toilet before you come to EY1 or EY2.

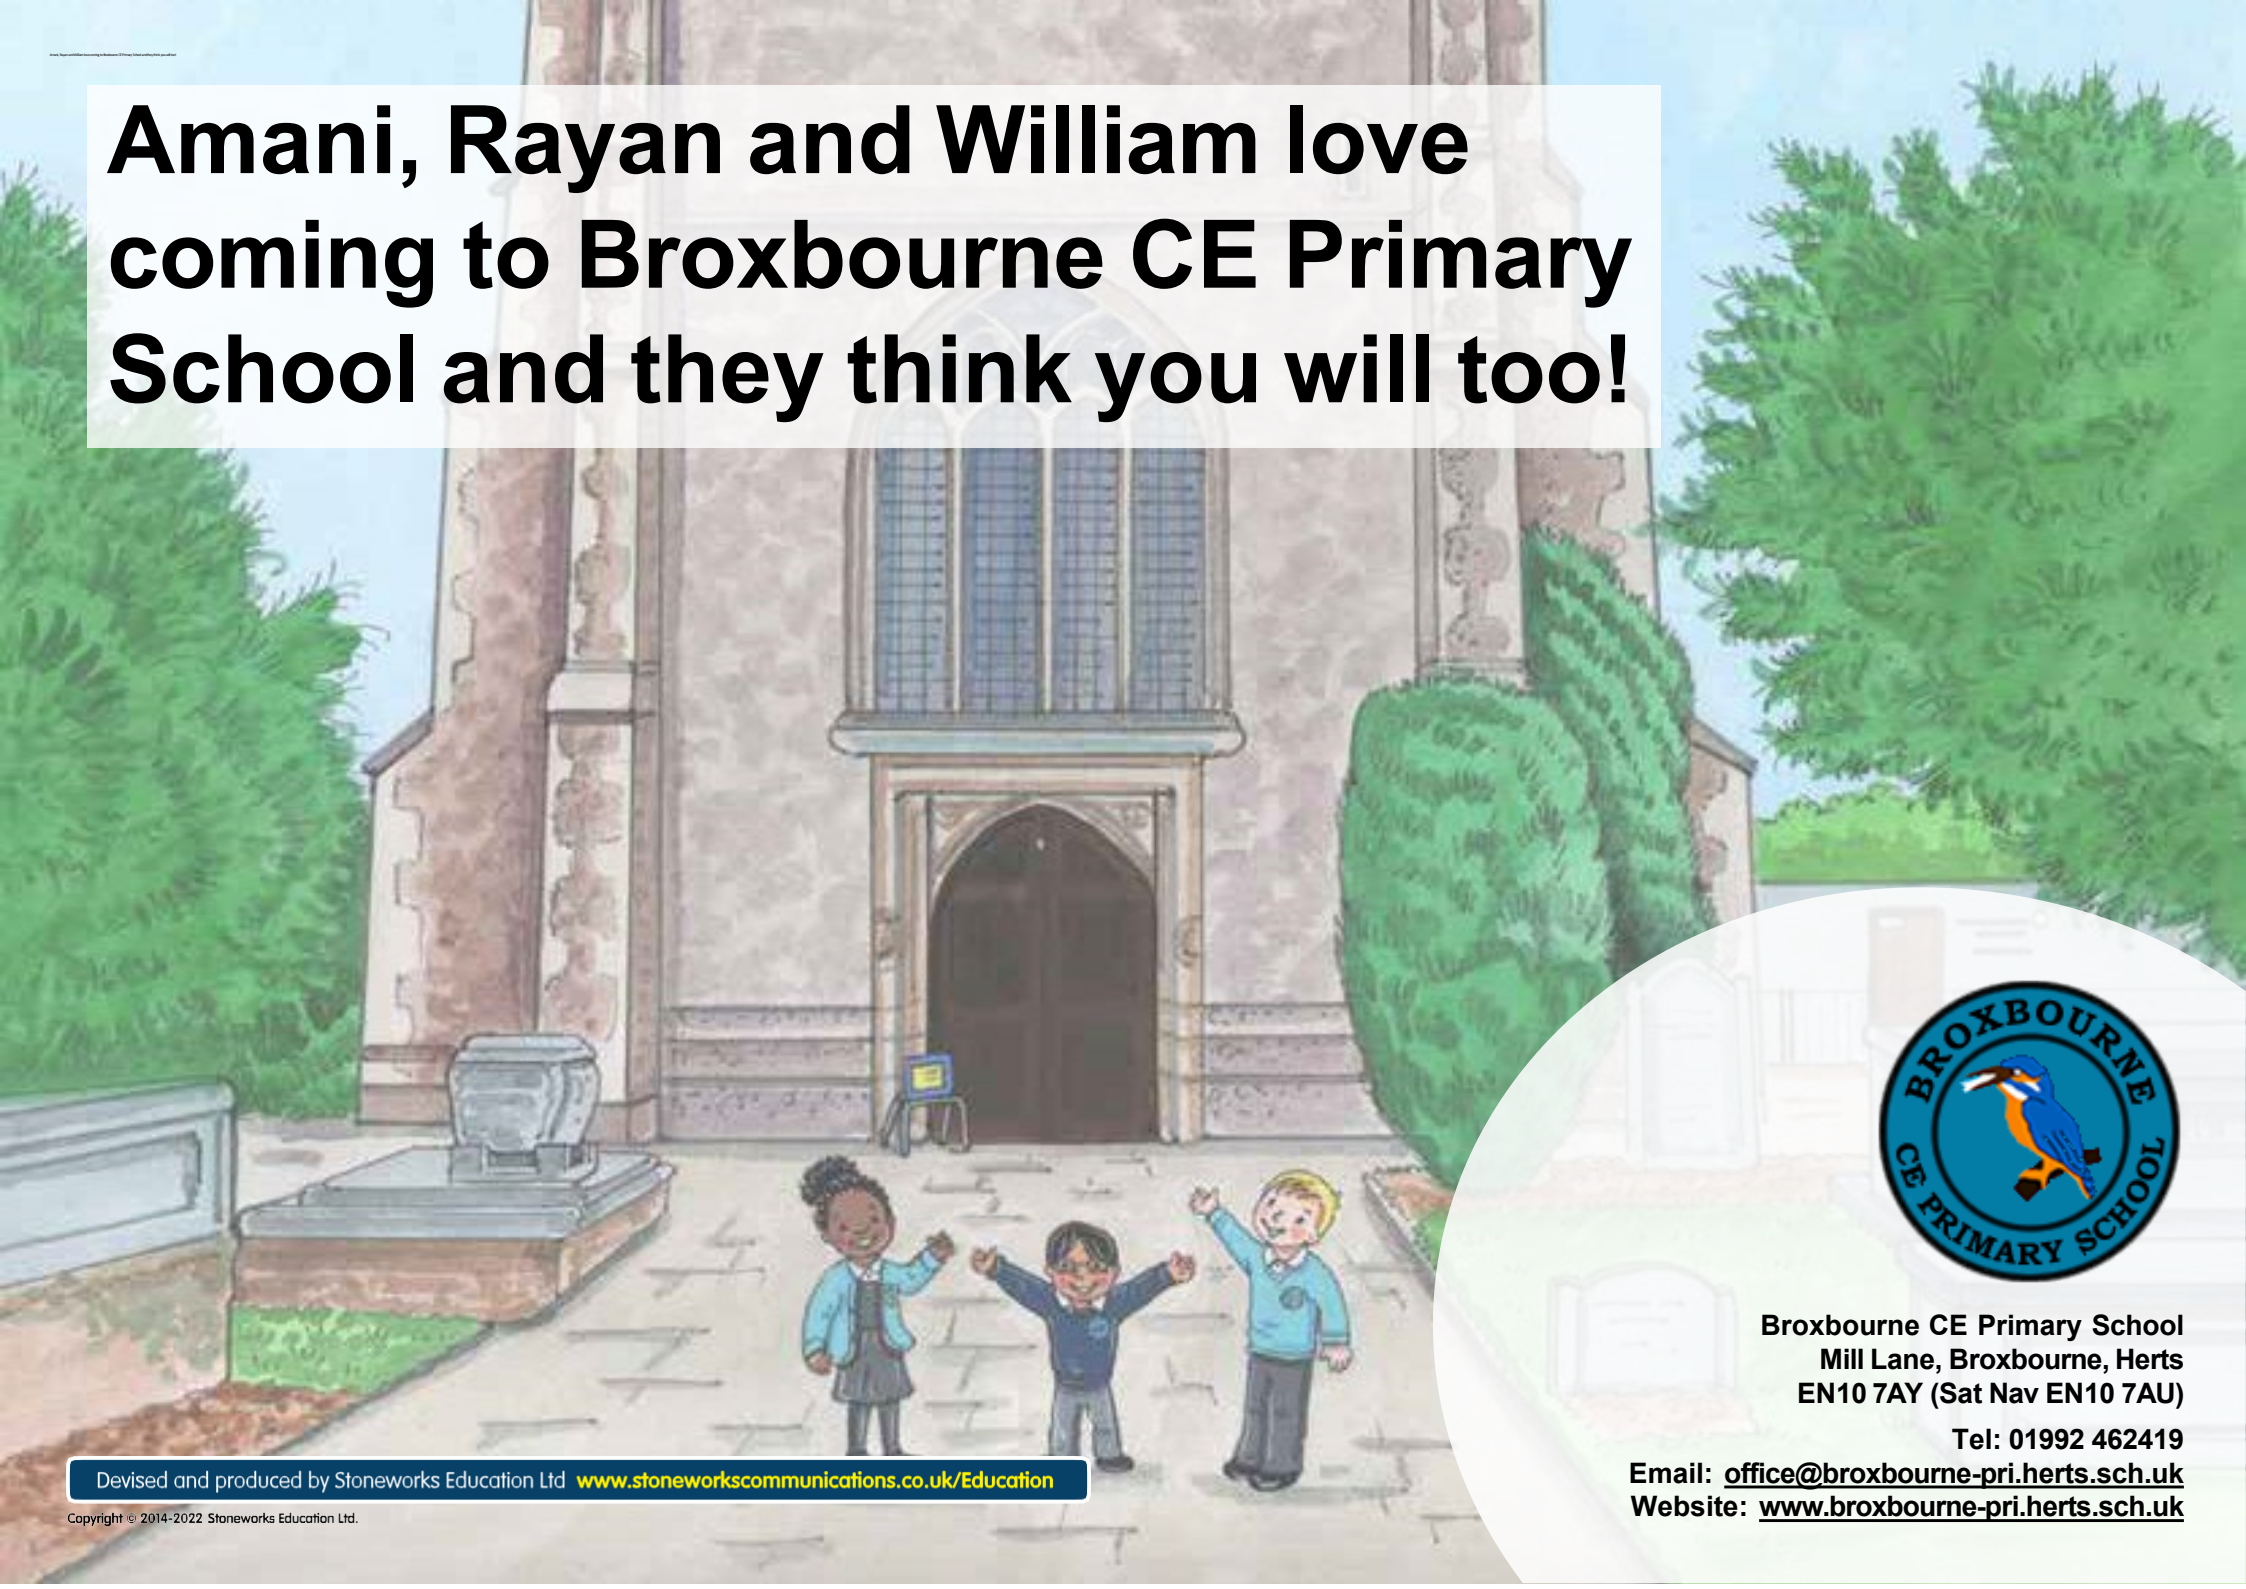

Rayan has used the toilet and remembered to flush.

“I am making sure I wash my hands with soap and warm water so I don't spread any germs,” he says.

If you have an accident, don't worry. Your teacher will always help and your grown-ups will make sure there are some spare clothes for you in school.

Amani, Rayan and William love coming to Broxbourne CE Primary School and they think you will too!
