

Broxbourne Primary Whole School Overview PSHE (including RSE)

Our cohesive approach to PSHE and the wider curriculum ensures our children receive a comprehensive education: preparing them to succeed and to contribute and respond appropriately and responsibly to modern-day society.
Relationships and Sex Education (statutory from 2020/21) is taught through the final two modules of each year group.

We also ensure additional teaching, workshops or assemblies address important concerns: either relevant to global or local events, issues or celebrations or related to the context of our school. Many of these are pre-planned whereas others are planned due to current events as they arise.

All children are taught water safety through swimming lessons and we have a rolling cycle of assemblies that cover aspects such as water, railway, level crossing, fire, firework, road and animal safety as well as visits from the NSPCC. This ensures that each child, during their time at Broxbourne, sees each of these assemblies at least twice.

We always mark 'Anti-bullying Week' and 'Safer Internet Day.'

Our Early Years children annually take part in road safety and traffic awareness workshops delivered by EYFS staff.

Our Year 6 children are taught Cycling Proficiency and Road Awareness. (N.B. this may happen in Year 5 Summer term).

Our Year 6 are also taught First Aid (including life-saving CPR techniques using training dummies) by external instructors.
